

# Kerikeri Tennis Business House Series

**KERIKERI**

**TENNIS CLUB**

The Kerikeri Tennis Club is inviting all businesses with tennis pros in their midst (perceived or real) to battle it out in our Business House Series.

Tennis is a competitive, yet social and fun sport. Make it an event for your business, put together a team or two or even three, get a fan-club and ring out your busy week with a good hit at the tennis club, mixing and mingling with other like-minded business people.

The Kerikeri Tennis Club features amazing facilities with 10 courts for those who play and a near new clubhouse with deck and sunshade for spectators.

**Kerikeri Tennis Business House** is a drawn competition with an overall winner at the end, as well as best men's, ladies and mixed teams. We will celebrate these achievements with a BBQ on the last night.
