## Kerikeri Tennis Club

is the largest tennis club in the Far North with over 250 members playing all year round plus many casual players and visitors joining in throughout summer. The facilities in Harmony Lane, Waipapa, feature 10 courts (6 with floodlights) for those who want to play and a comfortable clubhouse with deck and sunshade for spectators. The club is run by volunteers and has a very active social calendar. The premises are also home to the new and upcoming sport of pickleball.
